P - (410) 205.4980 E - info@choicecybersolutions.com

Alex's Biography

Alex Spigel is the COO and co-founder of Choice Cyber Solutions, where she leads the company's comprehensive compliance and security service offerings. With expertise in compliance management, corporate culture, customer service, and cybersecurity, Alex has helped countless businesses implement sustainable and scalable compliance strategies to meet the demands of rapidly evolving regulatory landscapes. She is also a sought-after expert on building efficient and resilient organizations as well as advocating for women in tech.

Presentation Style

Alex's presentation style is highly interactive, educational, and thorough. Her presentations deliver in-depth knowledge paired with actionable advice, making her a popular speaker at industry events. Known for her ability to break down complex regulatory frameworks into digestible, actionable steps, Alex engages her audience by encouraging questions and discussion throughout her talks. Attendees leave her sessions equipped with practical tools and insights to enhance their own organizations' cybersecurity and compliance strategies.

Whether she's speaking to a room full of seasoned professionals or business owners new to the industry, Alex brings a grounded and informative perspective to every engagement. One of her recent standout presentations was at CompTIA's ChannelCon, where she was recognized as the [2023 CompTIA Member of the Year](#) for her contributions to advancing the IT industry.
